Description of Affiliation

As part of VSA's Constitution and By-Laws, clubs and associations must be affiliated with the State Sporting Association to be eligible to receive any rights or privileges granted to the organisation.

Affiliation is open to all organisations within SA who wish to participate in and grow the sport of volleyball.

The term of affiliation begins on the 1st of January and expires on the 31st of December each calendar year.

Organisations applying for affiliation may be involved with multiple sports and activities but at least one must be volleyball. All Participants of volleyball competitions run by Affiliates must be current and registered members of VSA.

All Affiliates are responsible to ensure all Participant's membership details and, where applicable, payments are received by VSA.

VSA recognises that Affiliates may already have in place, and have an ongoing need, to pursue a variety of sponsors for their club/association. VSA does not seek to limit these sponsors except in situations where the sponsorship may damage the reputation of VA or VSA brands or the goodwill of VSA or VA major sponsors. To avoid any issues with sponsor conflicts, the Affiliate must provide a list of sponsors (where signage or branding is visible to the public) to VSA for endorsement prior to displaying any sponsorship collateral.

VSA reserves the right to request affiliates to cease sponsorship or sponsorship discussions if the partnership is likely to have an impact on current VSA sponsorship arrangements.

After becoming an Affiliate, VSA must be notified in writing of any new sponsorship arrangements. VSA acknowledgement and (if required) endorsement will not be unreasonably withheld, but VSA absolutely reserves the right to safeguard their peak body sponsorships and goodwill as the highest priority. Please click [HERE](#) to provide your sponsorship request.

Note: Schools may be excluded from some of the above due to the nature of their organisation.

Business Development

The VSA team can provide support and advice regarding the following:

- Policies and procedures
- Constitution / Rules of Association
- Risk management
- Insurance
- Member protection and child-safe environments
- Club/business development
- Grants and fundraising

VSA will meet with affiliates to identify their development priorities and the VSA support required.

Please contact kelly.w@volleyballsouthaustralia.com.au to book your visit.

Decision making

Dependent on your level of affiliation, you may have voting rights at the VSA AGM. VSA welcomes involvement from all affiliates in the decision-making process, including representation on the numerous committees and working groups, which can be found on our website. For more information, please contact the Competitions and Stakeholder Engagement Manager; at kelly.w@volleyballsouthaustralia.com.au

Insurance

Insurance is a key part of the services VSA provides Affiliates and Members. Volleyball SA's coverage is under Volleyball Australia National Insurance Program, including public liability and professional indemnity.

To ensure a record is kept of an incident or a near miss, we recommend that Affiliates and Participants complete an Incident Report Form as soon as reasonably possible after an incident or near miss has occurred. The Incident Report Form can be found [HERE](#).

Insurance is in place that provides limited cover to the Affiliate and member whilst performing or participating in any authorised or sanctioned VSA or VA activity. An Affiliate or individual can, in their interests, seek and obtain additional insurance over and above the cover provided by VSA and VA.

Platinum and Gold affiliates of VSA and their registered volunteers will be covered by Volleyball SA's \$20 million Public Liability Insurance, \$10 million Professional Indemnity Insurance and Personal Accident insurance while involved in approved volleyball related activities.

Please note that all individual members must be registered with VSA to be eligible for this Insurance. If members are not registered, Volleyball SA may choose to dis-affiliate with the club/association, making all insurances void, including the affiliates Public Liability and Professional Indemnity cover.

To make a claim, contact VSA on info@volleyballsa.com.au where a VSA staff member will be assigned to your case. They will provide you with the support and paperwork to ensure you have all the information required.

Administration Support

VSA can offer Platinum and Gold affiliates access to their Club Portal, as well as the Affiliate Resource Kit (ARK). The ARK provides clubs with resources, information, and education to improve off-court. The Club Portal provides visibility to clubs of its members and relevant information. VSA is constantly working with clubs to automate processes and reduce administrative workloads, please direct suggestions to kelly.w@volleyballsa.com.au.

Marketing and Promotion

As an affiliate, your organisation will be able to access marketing and promotion support. This may include advertising through VSA's social media and EDM newsletter, assistance with the development of promotional resources, advice on promotional activities, and access to the VSA photography library.

For your organisation to appear within the 'Get into Volleyball' function on the website, we will need to know what programs you offer and the locations (all of which MUST be sanctioned). Therefore, please ensure that you complete the 'Get into Volleyball' section of the affiliation form and supply a copy of your logo. If you would like your single/one-off event to be promoted by VSA, please complete the Sanctioning Form [HERE](#).

Clubs and Association Affiliation Category Benefits

Each affiliate must have registration fees paid and all relevant documentation submitted to become a 2024 VSA Affiliate. Where the Affiliate does not submit the required documents or pay registration fees accordingly, VSA may deem you unaffiliated, resulting in a loss of access to benefits, including but not limited to the VSA database.

The VSA team is here to assist you through your application process. Affiliates can upgrade to a higher category at any time (fees apply) to access additional services and benefits. Please refer to Appendix 1 for a detailed breakdown.

Terms and Conditions

VSA is committed to supporting all Affiliates to create a safe, fair, and inclusive environment for all members. VSA will work with key Affiliate representatives to highlight the key, sport-related legislative requirements set by the State and Federal Governments. This will include sharing of best practices, VA Member Protection Policy, volunteer management, VSA Child Safety policy, and other club/association-related governance matters.

Members of Participants

The Affiliate understands that it is a condition of affiliation that every Participant, adult or junior, participating in any form of competition organised by VSA or the Affiliate must be members of VSA, per individual member requirements and payment of fees as detailed on the VSA membership website.

Sport Integrity Australia (SIA)

Volleyball Australia has adopted the National Integrity Framework (NIF). This means all affiliates must abide by VSA Integrity Rules and Policies. Integrity complaints relating to Child Safeguarding are now handled by SIA.

All learning, education, resources, and information can be found on the VSA website.

Member Protection

VSA places the utmost importance on the provision of safe activities and environments for all.

VSA follows the VA Member Protection policy as part of VA's adoption for NIF. Affiliates must ensure that they agree to and abide by the Member Protection Policy which can be found on VA's website [HERE](#).

Codes of Behaviour

The VA / VSA Member Protection Policy provides 'Codes of Behaviour', which form the basis of appropriate and ethical conduct by which everyone must abide. Policies covered are Integrity, Anti-doping, Performance, Event, Coaching & Refereeing, and FIVB, please select the correct dropdown open and "view" the policy, all policies can be found [HERE](#)

Working With Children Check (WWCC)

VSA is committed to the continuous improvement of Child Safe Environment, the affiliate is responsible to implement and maintain the establishment of a safer environment for all people, including children.

The Child Safety (Prohibited Person) Act 2016 requires that all organisations verify new and existing employees have a current, not prohibited WWCC, online through their Organisational Portal via the DHS Screening Unit. VSA can register an interest and add WWCC details to each member to assist in your tracking and data collection. VSA also recommends each affiliate keeps their own record of all staff and volunteers and the WWCC check and expiry dates)

Organisations need to verify new employees have a current, not prohibited WWCC before employing them to work with children. For existing employees, organisations need to verify they have renewed their WWCC every 5 years and the status remains as not prohibited.

Verification can only be done online through your Organisation Portal accessed via the DHS Screening Unit. It's not sufficient to sight a clearance e-mail – organisations must verify online. (VSA can assist with this if required).

Visit the Screening Unit website [HERE](#) for more information about WWCC's.

- Your sporting club/association will require all staff and volunteers to hold a current and not prohibited WWCC, regardless of their involvement with children. This includes groundskeepers, canteen staff and admin people.
- If the Affiliate holds an ABN, you may apply to register your organisation with the Screening Unit. If successful, this would allow your organisation to verify a WWCC through the Organisation Portal. Please note: VSA must still Register Interest in all Participants, even if your organisation has already done so on your portal. To apply to register your organisation with the Screening Unit, click [HERE](#).
- All Affiliates must accept and agree to the [VA NIF Child Safeguarding Policy](#). VSA recommends Affiliates ask the Interview Sample Questions on page 20 when recruiting new staff and volunteers.
- If you have any questions about the need for a WWCC please contact the Screening Unit on 1300 321 592.

VSA is committed to assisting affiliates in the best practice of child-safe environments. If you have any questions, please contact our Child Safe Officer at kelly.w@volleyballsas.com.au

Risk Management

The effective management of risk is a collective responsibility to ensure that the sport achieves its vision and mission. VSA adopts a structured and consistent approach to assess and treat all types of risk, at all levels and for all VSA activities. By understanding and addressing its risks, VSA aims to provide greater certainty and security for its members, employees, volunteers, and stakeholders. Affiliating organisations have a responsibility to ensure that all guidance from VSA is communicated to, and understood by the appropriate members, policies and procedures are adhered to and issues are reported immediately.

Any incidents, hazards or “near-misses” must be recorded on the VSA Incident and Hazard Report form and be submitted to VSA no later than close of business the following working day. The form can be accessed [HERE](#).

Affiliate Contacts

The Affiliate will agree to the publication of the club or association’s key contact information (contact person, email, and telephone/mobile) on all VSA communication platforms where necessary. This includes emails to VSA members, the VSA website, and VSA social media platforms.

Sanctioning

If the affiliate wishes to run an eligible program as part of their affiliation, the affiliate must complete and submit a sanction application. Only VSA-sanctioned programs, events, and competitions will gain the benefits of affiliation (insurance, marketing, admin support, etc.). The Sanction Application Form must be submitted no later than 10 business days prior to the first day of the program, event or competition. Sanction applications that have been approved do not rollover to the next program, event or competition - a new Sanction Application Form must be submitted each time. If an Affiliate delivers a program, event or competition without an approved Sanction Application Form, it will not be insured. You can download a copy of the Sanction Application Form [HERE](#).

VSA has a range of policies and procedures on the website, which have been developed to meet legislative requirements and/or achieve best practices. It is the responsibility of VSA and the affiliate to ensure that policies and procedures are communicated to, understood by, and adhered to by the relevant parties. VSA is also able to assist organisations to review and establish their risk management framework, policies, and procedures. Please review and read all policies.

If you have any questions about VA/VSA policies, please contact kelly.w@volleyballsa.com.au
