Background

Refereeing Volleyball is a fun and exciting opportunity to expand your knowledge of the sport. Whether at a beginner's level or an elite level, it is the best place to watch the game.

Volleyball South Australia (VSA) welcomes new and returning referees into a positively driven community. Within each calendar year, there are plenty of opportunities to referee at SAVL, SAVL Juniors, SABVS, SA Open, and opportunities to attend Volleyball Australia events, all of which can be pathways to other national and international refereeing opportunities.

Refereeing is a great way to earn some extra money, and the rates for this season are outlined in this document.
