

2026 SAVL

HOSTING HOME ROUNDS

The following document outlines the requirement and expectations of the club hosting home games in the 2026 SAVL season.

DUTY

Volleyball South Australia will supply a Referee Supervisor to all venues where possible on any given weekend of SAVL Competition.

Each home team or host club shall be responsible for providing the following personnel to assist with the duty for each match:

A **First** and **Second** referee, 2 **Scorers** and 2 **Lines people**.

All teams must have the minimum accredited referees as outlined in the table below

	Minimum Referee Accreditation	Number Required
Premier	Level 2 Associate	2
Reserves	Level 2 Associate	2
Division 1	Level 1	3
Division 2	Level 1	3
Division 3	Level 1	3

Where a match is allocated to a neutral venue, the team allocated will be responsible for duty of the match.

EQUIPMENT

Volleyball South Australia will supply all necessary equipment to support the delivery of matchday requirements at the beginning of the 2026 season, should any items need replacing it is the club's responsibility.

Hosting clubs should prepare all the necessary equipment ready 30 minutes prior to scheduled start time, including net, antennae, referee stand, match ball, team benches, score bench, score board and ample seating for spectators. Ensure court space and area surrounding the court is clean and free from obstruction.

Hosting clubs will provide a committee appointed match delegate with first aid qualifications (must make themselves known to the first referee). They should also provide medical support in case of emergency, including:

- Qualified first aid aider and first aid kit
- Ice available for injuries and player recovery
- In the case of a suspected concussion the match delegate performs the role of the Arena Manager under the *VSA Concussion Policy* regarding a player being able to return to the court during a match after a concussion event
- Any injury or incident must be reported via the *VSA Incident Report Form*, located on the VSA website, and emailed to the SAVL Manager or given to the match referee to be returned to the VSA Office.
